QUALITY AND QUALIFICATIONS IRELAND (QQI)

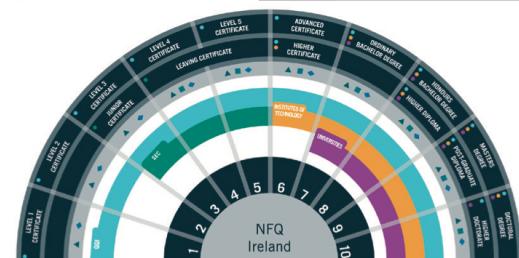

AWARDING BODIES

- Quality and Qualifications Ireland (QQI) makes awards in further and higher education and training.
- State Examinations Commission (Department of Education and Skills)
- Institutes of Technology
- Universities

AWARDS IN THE FRAMEWORK

There are four classes of award in the National Framework of Qualifications:

- Major Awards (awarded in the outer ring), are the principal class of awards made at a level.
- Supplementary Awards (awarded in the inner ring), are awards made at a lower level than the major award.
- Supplemental Awards are for learning that is additional to a Major Award.
- Special Purpose Awards are for relatively narrow or purpose-specific achievement.

All FETAC awards are now called QQI certified awards.
Please see www.qqi.ie for more information.

QQI (Quality and Qualifications Ireland) is the national awarding body for all further education and training in Ireland. It is a statutory body which ensures recognition of all education and training qualifications on a national and international level. At the end of certain learning programmes, students are encouraged to submit proof of their learning in portfolio form for assessment by QQI/FETAC.

WELCOME

YVONNE FIRTH

A Chara,

Welcome to Y.T.D.C. We offer QQI programmes at Level 3 and Level 4 on the National Framework of Qualifications under the auspices of Kildare Wicklow Education and Training Board.

Our Mission is to ensure that learners experience the opportunity to achieve their own unique potential. The centre staff and I of the centre will endeavour to provide a caring, supportive and stimulating environment in which this goal can be realised. I am confident that you will find an affable and welcoming education and training setting where Tutors and Learners work collaboratively towards achieving their goals.

On completion of your course at Y.T.D.C., Learners may access the labour market directly or they may choose to use their qualification to progress to College or Further Education

The staff and I look forward to working with you towards achieving your personal and educational goals and progressing your career aspirations.

Yvonne Firth

APPLICATION & ADMISSION POLICY

Y.T.D.C. operates a policy of selection and admission of Learners that is at all stages and in all ways, equitable, transparent, accountable and respect the rights and dignity of applicants.

ENTRY REQUIREMENTS

- Reception & Office Skills
- Customer Service
- Workplace Safety

PROGRESSION - Direct entry to the industry
Opportunities to progress to Further Education and Training.

SUCCESS STORIES

NATHAN CULLEN
20.08.2019

I have one year left in my Plumbing Apprenticeship. I am doing my apprenticeship with Mick Sammon. Coming to the end of my apprenticeship I feel very proud of myself because I know I am going to have a job for life.

I started Y.T.D.C. when I was 15, I had been home doing nothing, watching television every day. In Y.T.D.C I did maths, communications, personal effectiveness, health and safety, manual handling and most of all work experience where I got a chance to try out and see did I like plumbing.

I really enjoyed my time doing work experience and got on really well with my boss.

All you need to do to have a successful apprenticeship is to show up on time, listen to instructions that you're given, don't mess and always do your best.

To get an apprenticeship finished you have to work with an employer for 6 months, then go to college for 6 months where you do training and assessments over a 4 year period.

CHLOE CONLON
20.08.2019

I came to Y.T.D.C. when I was 16 because I didn't like school. I left after Transition Year. Y.T.D.C. worked for me because it has a friendlier atmosphere and a lot of support from the tutors. I did my Work Experience in a restaurant and as a result got a job there for two years after leaving Y.T.D.C.

I now work for a security firm as an event steward. At the moment I am doing my QQI Level 5 security course to get my PSA licence. They told me I would not have been able to do this course without my QQI Level 4.

You might not like Y.T.D.C. at the start, but if you stick it out its completely worth it. Without your QQI Level 4 you won't be able to get a job or a course. I didn't realise just how important it was when I was there.
